PRINCE HERMIS' HARD LUCK

BARELY HEADED OUT FOR THE FIFTH TIME IN AS MANY CONSECUTIVE RACES.

Tetan Proves a Disappointment-Promising Two-Year-Old Is Killed-Close at Latonia

Cincinnati, O., July 2.—For the fifth time in as many starts Prince hermis was beaten by the smallest of margins when Little Father led him by a matter of inches at the end of the three-quarters handicap, which featured this afternoon's card at Latonia. Pronce Hermis was conceding the others weight and may have been best, but during the stretch drive le was forced to ran through the heavlest going and it enabled Little Father, under energetic riding, to last just long enough. Rosoce Gose beat the other three starters for third money. Hard rains during the night again made the track bad and accounted for numerous withdrawals from most of the races. It was fine weather overhead and this, coupled with the fact that only three more days of racing remain in these parts until the fall season begins, was responsible for a surprisingly large crowd being on hand.

hand,

Something like a form somersault occurred in the third race, in which Lackrose and Obolus were among the starters, Obolus won his last start with consummate case from supposedly better ones than he met today, but he lacked speed in the going this afternoen. Lackrese, on the other hand, ran a good race and outstayed World's Wonder in the linal drive.

good race and outstayed World's Wonder in the final drive.

Favorites again had a difficult road to travel during the afternoon. Tetan's failure was probably the costliest of all to the public. The fifth race was attended by a mishap that ended P. J. Millett's racing career. The colt lost his rider while on the way to the post and later hurdled the fence at the half mile ground. He fell in a heap and appeared to have broken his neck. He was at once destroyed. Those who had backed him lost, as he was in the hands of the starter.

The stewards today required of R. J. Powers and H. C. Coffey, respective owners of Coppertown and Altamaha, to file afficiate that T. J. Brown, former owner of the horses, has no further interest in them. Brig's Sister came out of her race bleeding from the nostrils.

General W. B. Haldeman and Judge Allie W. Young, members of the Racing Commission, came down today to witness the closing days of racing.

HAMILTON MEETING COMES TO AN END.

King Neptune Wins the Feature Race After Seem ing to Have No Chance-Many Departures.

Hamilton, Ont., July 2.—J. S. Tyree's King Neptune ran an excellent race in the Junior Champion purse, the feature event of the closing day's program at the Hamilton Jockey Club's track this afternoon. The conditions called for a dash of five and a half furlongs. King Neptune carried 117 pounds and was ridden by Taplin. Starter Dade sent the field away to a flying start, but King Neptune immediately propped and dropped out of the running, being a distant trailer in the early running. On the backstretch the colt appeared to be hopelessly out of it, but Taplin sent him after his opponents and while rounding the far turn took him to the outside. At the eighth post he was last but one, but when finally called on responded quickly and finishing with a rush wore the tiring Reserve down and got up in the last twenty yards to win by a neck. The finish evoked much enthusiasm and winner and rider were accorded an ovation. Pesky's race was a disappointment. She quit after keeping pace with Reserve to the stretch turn, where the latter drew away into a three lengths lead.

The races were run over a muddy track and under showery skies, Despite the disagreeable weather conditions, the attendance was large and speculation brisk. Outsiders were conspicuously successful.

Lewis Garth has decided to leave several of his horses here to rest until the next meeting. Those he will leave include Exton. Tom Horn, Captain Parr. Queen Apple, Humility, Hawersack, Faker, F. A. Stone, San King and Idle Michael.

Jockey Metealf was on the ground today owing to a suspension imposed on him by the starter for dicobedience at the post yesterday.

Hart Dernham, a recent arrival from Baltimore, left for Fort Eric tonight to remain until the opening of the King Edward Park meeting.

Many of the bookmakers who were operating here departed for New York at the conclusion of the racing. In the party were Harry Shaw, Willie Kerryhart, William Orr, A. Shaftel, W. Sippy, Abe Meyer, Max Frank, Mel Stern, F. Cantrell, F. Keongh, Al Valentine, N. Miller, Sam Spencer, M. C. Lewis, F. Reamer, Henry Hendricks and Leo Uman.

Liman.

The Jefferson Livingston, James Arthur, Brookdale and M. Daly stables were shipped over to Fort Erie. Two big specials departed for the Fort Erie track and two more will leave tomorrow.

Jockey Cooper, who was injured when Sir L. Joe fell with him on Wednesday, is progressing so well that he probably will be able to resume riding at Fort Erie.

Frederick Gerhardy, who will not continuous at Windows, who will not continuous at Windows.

that he probably will be able to resume riding at Fort Erie.

Frederick Gerhardy, who will act as one of the Indges at Windsor, left for Detroit tonight.

A. H. Loudon, secretary-treasurer of the Hamilton Jockey Club, who was operated on for appendicitis previous to the opening of the meeting, has of far progressed that he will leave St. Joseph's Horpital for his home in a few days. During his absence, Mr. Loudon's duties have been looked after in a capable manner by his assistants.

The book for the second meeting at Hamilton was distributed among the horsemen yesterday. The stakes to be run during the second meeting include the Prince Edward Selling Stakes, the Nursery Plate, the Brantford Selling Handicap and the Hamilton Cup. The latter is a mile and a quarter dash with \$2,000 added.

KENTUCKY FALL RACING PLANS.

Cincinnati, O., July 2.—It has been the rule as the summer meeting at Latonia draws to a close for Manager Hachmeister to make public his fall racing plans. So he will announce in a few days the stakes to be run during the autumn meetings at the three tracks he controls. Bouglas Park, Louisville, and Latonia. The meeting at Douglas Park will begin Monday, September 20, and run for a period of eight days, ending on Tuesday, September 28. At that meeting the stake events will be the Douglas Park Inaugural Hamicap, \$2,000 added, the Beechmont Stakes, \$1,500 added, and the big feature race of the meeting, the Louisville Cup, two miles, with not less than \$2,500 added. The Latonia autumn meeting will begin this year on Saturday, October 9, and run for 16 racing days, ending Wednesday, October 27. The feature race of that meeting will be the Latonia Cup, with not less than \$2,500 added, two miles and a quarter. Other stakes that will be announced for the fall meeting will likely be the Autumn Inaugural Handicab and the Fort Thomas Stakes, each \$2,000 added, and the Autumn Stakes, \$1,500 added.

SLOPPY TRACK RACING AT AQUEDUCT.

Leo Skolny Fails His Admirers-Plumose Defeats Dune Site-Jockey H. Williams Injured.

Dune Site—Jockey H. Williams Injured.

New York, July 2.—Today's program was an ordinary one, the six races attracting mediocre fields. What seemed like the best race of the program was the first, a selling handleap at six and a half furlongs, but interest in this event was marred to a certain extent by the withdrawal of Bac and Star Gift, which caused Leo Skohy to be quoted at oddson. The Mackenzie racer however, landed in second place, Thornhill being the winner. Leo Skohy began in front, but immediately fell back and although Borel rode him hard all through the early racing he was unable to get into a contending position. At the finish he raced into second place past the tiring Prairie.

Plumose, which has been racing consistently of late, won the third over Dune Site and Ataka. There was quite a bit of crowding in coming out of the chute, but there was no sclaim of foul made by any fof the riders.

Frijolee spreadcagled his opponents in the steeple-chase, which he won by a big margin. Aberfeldy fell in the second turn of the field and his rider, H. Williams, sustained an ugly cut on his head which necessitated several stitches being taken.

With Amalfi withdrawn from the firth, Marshon was quoted at a short price and was heavily supported. The running of the race resulted in the closest finish of the afternoon and found Marshon the winner by inches, as Penally, after closing up principally because Butwell outrode Mink when it came to a drive.

The weather was cloudy and threatening all afternoon interspersed with occasional light showers. The track was still slow.

August Belmont sent a good-looking youngster to the post in the sixth race in Lord Rock Vale.

William Garth has returned from Canada, where he has been for the past week.

The Brooklyn Derby, which is tomorrow's feature, will bring about another public appearance for San Hildreth.

There will be seven races tomorrow, an extra race being put on for the selling platers.

Marshon was bid up \$100 by F. L. Moore for E. T. Collins, but was retained by

ALL READY FOR ACTION AT FORT ERIE.

The Finn and Waterbass Carded to Measure Strides in the Canadian Derby.

In the Canadian Derby.

Buffalo, N. Y., July 2.—Under conditions that unmistakably point to seven days of highly satisfying racing, the first of the 1915 meetings of the Niagara Racing Association will open at Fort Erfe tomorrow afternoon. The meeting will give local patrons of racing their first taste of the parimutuel system of betting and, judging from the interest that is being manifested on every hand in the new method, it is destined to prove popular locally. Many Buffalonians have visited the track within the past few days to get an idea of what the mutuel machines look like. The Fort Eric meetings are always patronized by considerable numbers of racing folk from Toronto, Hamilton and other Canadian points who, having seen the machines in operation at the Woodbine track in Toronto, will need no introduction to them.

Practically all the horses that have been racing on the Canadian circuit, together with a considerable number; that have arrived from Kentucky and other points, will be seen in action at Fort Eric. There will be an abundance of good racing material. With few exceptions all the horses that raced at Hamilton will be quartered at Fort Eric before racing time.

Naturally, keen interest is being taken in the Canadian Derby, which is to be the particular feature of the opening and for which H. C. Hallenback's The Finn, winner of the Hamilton Derby last week, T. C. McDowell's Waterblossom, undefeated winner of five races this season and George M. Hendrie's Rancher, which finished a close up second to The Finn at Hamilton, are numbered among those named to start. If no rain falls fast time is looked for tomorrow, as the track is in superb condition. This locality has so far escaped the rain which has prevailed elsewhere during the past few days and the prospect tonight is for fair weather.

RACING AT SAN FRANCISCO ASSURED,

Progress was made at San Francisco Monday, June 28 in the direction of providing for a running meeting to be held in connection with the Panama Exposition. Concerning measures taken, the San Francisco Chronicle of the next day said:
"Horse racing, the heralded 'snort of kings,' is going to return to California. This announcement two definite form yesterday with the organization of the Golden Gate Thoroughbred Breedews, Association, which will father the movement to encourage the breeding of thoroughbreds, and revive interest in racing. Some of California's wealthiest and influential men are interested in the launching

of the new association, and are confident of making it a success.

"Charles W. Clark of San Mateo, son of Senator Clark, the Montana copper king, was elected president, and was in the chair at yesterday's meeting. James C. Nealon of San Francisco, a well-known patron of the thoroughbred horse, was chosen as secretary. A number of committees were named, and the board of stewards and directors will be elected at a meeting to be held tomorrow night at

EX-STARTER HOLTMAN AGAIN IN RACING.

Cincinnati, O., July 2—Jake Holtman, former starter, who has been in Kentucky since the opening of the Louisville racing season, departed tonight for Reno, Nev., where he will represent the Nevada Racing Commission as its steward during the thirty-one days' meeting beginning July 17. Following that meeting Mr. Holtman will go to San Francisco, where a thirty days' meeting will be heid at the Exposition track. Mr. Holtman will serve as general manager of that track. The Reno racing will be with the pari-mutuel system of wagering and the San Francisco form of betting, if any, will be patterned after the New Orleans plan of last winter. Mr. Holtman has, while here, been doing some missionary work among the horsemen and about twenty-five racers will be shipped west, including the horse owned by John Lowe, J. N. Mounce, W. M. Cain and John Hogan.

W. Perkins has bought Clubs back from J. W. Schorr, and he has been turned out for a long time. Perkins will take him up in the fall and attempt to train him.

Judge C. H. Pettingill, who has been a race track

J. O, Talbott's horses, Judge C. H. Pettingill, who has been a race track official since shortly after the end of the Civil War, said that the race for the Queens County Handicap at Aqueduct Tuesday was the best he had ever seen. He was backed up by his associate judge, E. C. Smith.

Bob Baker, member of the Executive Board at Lexington, has announced that seven races will be run there daily during the fall meeting. It will be impossible to run seven at Louisville and Latonia during the fall meeting unless the races are started much earlier in the day.

started much earlier in the day.

"Training for rich owners, who know comparatively little about the game, is not all joy," remarked an Australian trainer recently. Questioned why, he replied: "They generally have a multiplicity of advisers who, in theory, know all about training, and eccasionally succeed in creating an impression by the seeming depth of their knowledge. This to the disadvantage of the trainer, whose ideas are often subordinated to those of his employer's friends." No doubt many American trainers are able to subscribe to the truth of the above remarks.

KNEKLET raced well up throughout, ALLEDO showed speed, but tired. FREEMAN quit badly. The winner was entered—for \$400; no bid.
